Education

Master of Science in Computer Game Engineering (2021-2022) (Date of Graduation: December 7 2022) – Newcastle University
Grade – Distinction

- o   CSC8501 : Advanced Programming for Games
- o   CSC8502 : Advanced Graphics for Games
- o   CSC8503 : Advanced Game Technologies
- o   CSC8507 : Game Technology Innovations
- o   CSC8508 : Engineering Gaming Solutions within a Team
- o   CSC8599 : Project and Dissertation in Computer Game Engineering

Bachelor of Science (Hons) in Computing (2014-2017) (Date of Graduation: December 4 2017) - Islington College (London Metropolitan University)
Grade - Second Class Honours

- o   FC6PO1NI Project
- o   CS6004NI Application Development
- o   FC6W51NI Work Related Learning II
- o   CU6051NI Artificial Intelligence
- o   CC1002NI Problem Solving For IT
- o   CC1003NI Introduction to the Internet
- o   CC1006NI Introduction to Programming
- o   CC1007NI Further Programming
- o   CC1008NI Personal Development for Computing
- o   CC1HO1NI Study Skills For Computing
- o   CC2005NI Project Planning and Management
- o   CC2006NI Data Modelling and Database Systems
- o   CC2007NI Software Engineering I
- o   CC2008NI Object-Oriented Analysis and Design
- o   CC2009NI Communication Networks
- o   CC2011NI Operating Systems
- o   CC2018NI Professional Development For Computing
- o   CC2E01NI Employment Skills For Computing
- o   CT1044NI Computer Hardware and Software Architecture
- o   MA1032NI Logic
- o   CC6001NI Advanced Database Systems and Development

Key Skills (Technical Skills)

HTML	C++	OpenGL	Node.js
CSS	C#	Blender	
JavaScript	Unity	MySQL	
TypeScript	Unreal Engine	CMS Strapi	
Angular	Lua	LESS	
Bootstrap	Java	SASS	
Vue.js	React	jQuery	

Languages

Nepali (Native or Fluent), English (Native or Fluent), Hindi (Native or Fluent), German (Beginner)
